Agenda Items 2: To consider the recommendations of DUGC (IT) meetings.

The committee ratified the recommendations of the DUGC (ECE) department as placed at annexure no.2.

Agenda Items 3: To consider the back paper exam schedule for the year 2016.

As per the instructions of the Senate the committee again considered the issue of scheduling the back paper examination. It is resolved to submit it as an explicit agenda item in the next meeting of senate by including the following main points of the deliberations

- 1) Ideally the back paper exam should be completed during the May-June (summer) semester break so that students can register themselves in appropriate courses at the beginning of new semester. However, due to different reasons the declaration of results gets delayed in both odd as well as even semester. Thus, back paper exam in semester break appear impractical for time being.
- 2) The AR (Exam) submitted that presently exam cell works as admission cell as well. Due to CCMT, CSAB and other admission activities it is very difficult to conduct the examination in summer.
- 3) The student members were of the opinion that it will be better if these exams are conducted after the odd semester exam. As there is just project work in 8th sem thus 7th sem students will be highly benefitted by it. Also, it will give an opportunity to largest number of 1st year

students who usually find it difficult to adopt the new system and badly affected due to various prerequisite conditions.

Agenda Items 4: To consider the restriction of students due to failing in prerequisite courses for semester Jan-June 2016.

The committee received the list of students who have failed in one or more subjects in July-December 2015 session as placed at annexure no. 4. It is decided that the information should be passed on to respective DUGC for informing its consequences to all concerned students as per prerequisite list of various programmes and suitably advice them.

Agenda Items 5: To receive the updates of exam cell portal development.

Dr. Sanjeev B. S. shared the updates and future plans of development of exam cell portal. The committee was satisfied with the sincere efforts of Dr. Sanjeev.

Agenda Items 6: Any other item with the permission of chair.

Dr. B S Sanjeev raised the issue of attendance policy for students and the committee suggested adhering with senate approved UG manual for student attendance related issues.

The meeting ended with a cup of tea.
